

LIGHTHOUSE & COMPASSION

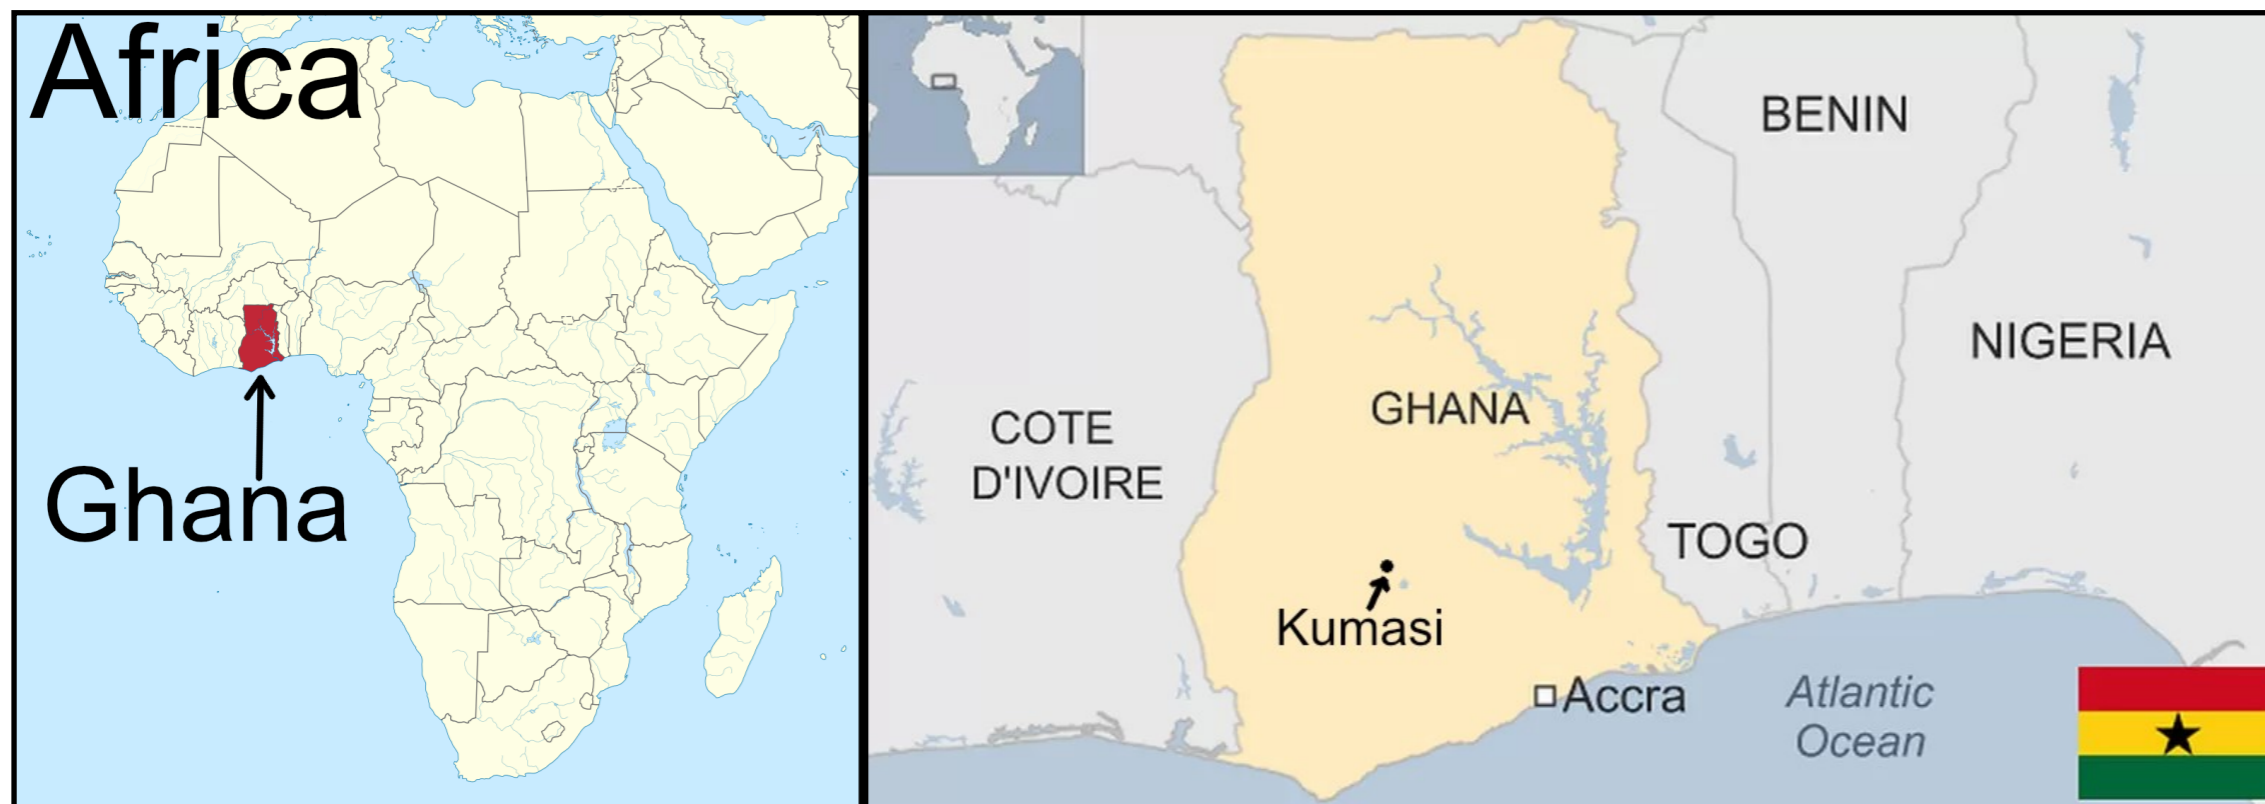

Lighthouse sponsors two children through Compassion UK.

Compassion seeks to lift children and their families out of poverty by working with local churches who know their communities inside and out.

Compassion's heart is to give children and young people the opportunity to thrive and reach their God-given potential both now and into the future.

Compassion have partnered with Church Wigan to sponsor children in a specific area. Both of our children and a lot of children sponsored by churches and individuals in Wigan live in Ghana, in or around a town called Kumasi.
